

UML Diagrams Examples

Examples by Technology or Application Domain

Online shopping UML diagrams

Ticket vending machine UML diagrams

Bank ATM UML diagrams

Hospital management UML diagrams

Digital imaging and communications in medicine (DICOM) UML diagrams

Java technology UML diagrams

Application development for Android UML diagrams

Software licensing and protection using SafeNet Sentinel HASP security solution

Examples by Types of Diagrams

Activity diagram examples

Class diagram examples

Communication diagram examples

Component diagram examples

Composite structure diagram examples

Deployment diagram examples

Information flow diagram example

Interaction overview diagram examples

Object diagram example

Package diagram examples

Profile diagram examples

Sequence diagram examples
State machine diagram examples
Timing diagram examples
Use case diagram examples

Use Case Diagrams

Business Use Case Diagrams

○—○ **Airport check-in and security screening business model**

○—○ **Restaurant business model**

System Use Case Diagrams

○—○ **Ticket vending machine**

Bank ATM UML use case diagrams examples

Point of Sales (POS) terminal

e-Library online public access catalog (OPAC)

Online shopping use case diagrams

Credit card processing system

Website administration

○ Hospital Management

○ Radiology diagnostic reporting UML use case diagram example

○ Software protection and licensing UML use case diagram example

Information Flow Diagrams

Scheduled Workflow information flow for the IHE Radiology Technical Framework

Class Diagrams

□↔ Abstract Factory Design Pattern

Domain Models

□↔ Library domain model

□↔ Bank account class diagram example

□⇒ Online shopping domain model

□⇒ Health insurance policy UML class diagram example

➡ Hospital domain UML class diagram example

➡ Digital imaging in medicine - DICOM model of the real world

Sentinel HASP software licensing domain UML class diagram example

APIs

Digital imaging in medicine - DICOM Application Hosting API

□⇒ Java util.concurrent API UML class diagram examples

Implementation Models

□⇒ Android Camera implementation classes

➡> Sentinel HASP licensing UML class diagram of Aladdin package

Object Diagrams

➡> Web application Login Controller object diagram

Composite Structure Diagrams

Bank ATM UML composite structure diagram example

Apache Tomcat 7 web server UML composite structure diagram example

Observer design pattern as UML collaboration use example

Package Diagrams

Multi-Layered Application Model

Multi-Layered Web Architecture

Java™ Platform Standard Edition 7 API UML package diagram example.

Java Servlet 2.5 API UML package diagram example

Java Servlet 3.0 API UML package diagram example

Spring and Hibernate ORM data access packages and classes

(Data) Transfer Object (Value Object) design pattern package template

Component Diagrams

Online shopping component diagram

Sentinel HASP licensing components

Deployment Diagrams

Online shopping web application manifestation

Online shopping web application UML deployment diagram

Clustered deployment of J2EE web application

Multilayered load balancing of J2EE servers

Apple iTunes UML deployment diagram

Android application deployment

Network Diagrams

Home network diagram example

Web application network diagram example

Profile Diagrams

Service Oriented Architecture Modeling Language (SoaML) UML profile diagram examples

Java Enterprise JavaBeans (EJB) 3.0 UML Profile

Digital Imaging and Communications in Medicine (DICOM) UML profile diagram example

Activity Diagrams

→ A Business flow - Process purchase order

→ A Business flow - Document management process

→ A Electronic prescription service

A Software design - Resolve software issue

A Software licensing - activation of Sentinel HASP SL provisional product UML activity diagram example

A Online shopping UML activity diagram

A Ticket vending machine

A Web security - Single Sign-On (SSO) for Google Apps

State Machine Diagrams

●→ S Water Phase Diagram as State Machine

●→ S Bank ATM behavioral state machine UML diagram example

●→ S Online shopping user account UML state machine diagram example

●→ S Java 6 thread states and life cycle UML protocol state machine example

●→ S Java EJB life cycle of a session object UML state machine example

●→ S Digital Imaging and Communications in Medicine (DICOM) Hosted Application life cycle UML protocol state machine example

Sequence Diagrams

Online bookshop UML sequence diagram

Submit comments to Pluck using DWR, AJAX, JSON

Facebook user authentication in a web application

Spring and Hibernate transaction management

Timing Diagrams

Medical domain - Stages of Alzheimer's disease UML timing diagram example

Web user experience - Website latency UML timing diagram example

Communication Diagrams

Online bookshop communication diagram

Interaction Overview Diagrams

→ Online shopping interaction overview diagram

→ Submit comments to Pluck using DWR, AJAX, JSON

by [Kirill Fakhroutdinov](#)

This document describes UML versions up to **UML 2.5** and is based on the corresponding **OMG™ Unified Modeling Language™ (OMG UML®)** specifications. UML diagrams were created in **Microsoft® Visio®** 2007-2013 using **UML 2.x Visio Stencils**. **Lucidchart** is a nice free UML tool for students I recommend.
